

JOIN the JOURNEY

Camino Global exists to make disciples of Jesus Christ, serving among and with Spanish speakers globally.

Camino Global is on a shared journey of spiritual transformation with Spanish speakers everywhere, going direct for maximum impact. Our efforts are aimed at making disciples among Spanish-speakers globally. The mission's distinctive context has been and will remain the Spanish-speaking world. But Spanish-speakers are no longer only the target of Camino's regional ministry, they are also now our colleagues in global ministry. We are on a shared journey together!

We recognize the value of having a vibrant short-term missions program. We have seen God use short-term service to change lives - lives of those ministered to and of those who go to serve. In many cases, language study is available, and in all cases you will serve the local church in very tangible ways while absorbing the culture around you.
